

Schur[®]Star Squeeze & Mix Bag

The Schur[®]Star Squeeze & Mix Bag offers vital convenience - the consumer will enjoy the easy and simple marinating without any mess

- The Schur[®]Star Squeeze & Mix Bag has two compartments, separated by a frangible seal
- When squeezing the marinade compartment manually, the middle seal will break, allowing the contents of the two compartments to mix
- The easy opening feature of the bag allows convenient access at time of cooking
- By separating the main ingredient from the marinade, the shelf life is extended
- The visibility of the main ingredient – poultry, seafood or vegetables – leads to more consumer trust in quality and freshness

Reasons why

- Greater visibility of the contents leads to consumer trust in quality and freshness
- Longer shelf life
- Easy opening feature
- Convenient in use, as the meal is prepared in the bag, without any mess
- Premium printing with 10 colour flexoprint
- Eye-catching presentation at POS

The Squeeze & Mix method

The innovative Squeeze & Mix method offers simple, clean, easy and convenient marinating of poultry, seafood and vegetables

- 1 Squeeze the compartment that is filled with marinade with your hands
- 2 The middle seal splits allowing the marinade and main ingredient to mix
- 3 The meal will be marinated inside the packing without any mess

Why Schur[®]Star?

The Schur[®]Star Concept consists of the Schur[®]Star Packaging machine and the pre-made Schur[®]Star bags

- It is all about adding flexibility to and removing complexity from our customer's productionThe most flexible solution available
- Run multiple bag formats without additional tooling costs
- Quick change-over to run multiple products on one line
- No set-up times
- For manual, semi and fully automatic filling
- Wide range of innovative shapes and functionalities
- Easy to integrate into your existing process
